## MOVING UPDATE

Thank you to each of you in our practice family for your kindness, graciousness, and good wishes!

Dear Parents,

I am writing to update you on the status of my office's move. It has been many months since we embarked on this exciting endeavor and unfortunately things are not progressing as planned. We have been experiencing unforeseen delays and set backs which are severely hampering our efforts to move forward and open our new office. I am working diligently to address this, and I have also been looking into other options to be able to offer you appointments.

In any event, who is most important is your child. Their continuing dental care has always been and still is my top priority. In light of this, my recommendation is for you to look into seeing another Pediatric Dentist. Your insurance company has a list and if you like I can provide you feedback about those you would consider scheduling with. Please let me know if there is anything I can do to assist you with this.

I will continue to update you on our status, and you can always feel free to call me at 845-269-7953. I am looking forward to contacting you with good news and welcoming you to our brand new, cutting edge Disney inspired office.

Thank you for your patience, thoughtfulness and understanding; and the confidence you have always placed in me.

All My Best,

*Dr. Fern*

## MOVING UPDATE

Thank you to each of you for all your patience, good wishes and thoughtfulness!

We are very excited to embark on growing our practice to provide you with more and enhanced amenities. Our new space will still reflect the highest level of care, fun, and happiness you have come to know and expect.

As you know we began this endeavor several months ago and due to unexpected events beyond our control our new office is unfortunately behind schedule. I sincerely apologize to you for this delay. I want you to know that I am painstakingly working to address this situation. You will be able to reach me at 845-269-7953. I will continue to update you on our status and you can always check here for updates.

I sincerely appreciate your patience and understanding; and the confidence you have always placed in me. Addressing your child's needs always remains my utmost priority. We look forward to welcoming you to our new, state of the art Disney inspired office.

As always if you have any questions please feel free to call me.

All My Best,

*Dr. Fern*
