MOVING UPDATE

Happy New Year! I hope you had a wonderful holiday.

I am writing to update you about our move. As I wrote to you previously this will take place over the next several months as we build our new office and move from our present location to our new office. Being as incredibly busy as you are, I want to remind you that I will be available for regular care until January 31, 2017 and for emergency care for the next thirty days. You will be able to reach me at my office number (845-634-3200) until that time, and then going forward at 845-269-7359.

We are doing this so that we can provide you with more and enhanced amenities. Our new space will be more reflective of the care, fun, and happiness you have come to know and expect. Our practice is growing! We listened and we are bringing on an Adult Dentist to address your oral health needs. Now you can come too! We are also bringing on an Orthodontist for kids and adults. Digital x-rays is also something new we will be adding. You can also look forward to an expanded Pedi-Arcade, a coffee bar, more comfortable seating, and movies in our new not made for waiting waiting room. Our treatment rooms will be absolutely amazing. There will be more conveniences in the area around our new office.

I will continue to update you on our status and you can always check back here for updates. I sincerely appreciate the confidence you have always placed in me, and we look forward to welcoming you to our new, state of the art Disney inspired office.

As always if you have any questions please feel free to call me.

All my Best,

Dr. Fern
